

## JULY 2022 EDITION

### NEWS

#### BEAT REPORT

Hello and welcome to the June 2022 Beat Report for the New Forest Heart area. Your team in the North of the Forest is PC 25169 Carl PEVERILL and PCSO 14495 Richard WILLIAMS.

In July come and meet us at one of our Beat Surgeries and meetings across our area. On Saturday 2nd July from midday, we will be at the Lyndhurst School fete and we will have a couple of our vehicles with us. Come and say hello, ask any questions you have, and the young ones can have their photos taken in the cage in the back of the van.

On Saturday 9th July we are holding a bike marking event in the main car park at Lyndhurst. Bring your bikes along and get them security marked so that if they do get stolen and we find them we can return them to you. We will be on site until 11.30.

Also, in July we will be at the Post Office in the Happy Cheese at 11am on Tuesday 19th, and on Thursday 21st July we will be at the Bramshaw Stores at 8am, the Bartley Post Office at 10am and at the Open Door café in Minstead Church at 2pm.

At the end of the month the New Forest Heart team will be at the New Forest Show in Brockenhurst on all three days of the event so if you see us there do come and say hello.

High value bicycle thefts are again our main concern this month with 19 stolen from sheds, garages and outbuildings in Winsor, Lyndhurst, Brockenhurst, Brook and Ashurst and another 10 taken from campsites at Ashurst and Hollands Wood as well as the train station at Ashurst and at two hotel car parks in Brockenhurst. Please make your bicycles as secure as possible and when you take them out, please don't leave them unattended, an example of what can happen took place at 3.30pm on a busy afternoon outside the Community Centre in the main car park at Lyndhurst where a bike that had three locks on it was stolen while people were walking passed on their way to the village. Other outbuildings have been broken into at Emery Down, Lyndhurst, Beaulieu, Minstead and Fritham and power tools and garden machinery stolen.

The good news is that NO HOMES have been burgled on our Beat this month but the offices at the Woodlands Lodge Hotel in Woodlands and the Long Beech Campsite have been, and a safe and other items stolen. A motorhome on the Hollands Wood campsite just outside Brockenhurst was broken into while the owners were out, and some expensive jewellery was taken and a hair salon in Brockenhurst was also broken into.

Vehicles that have been targeted this month include a van parked on a driveway in Winsor where tools were stolen, a car parked in the layby outside Copythorne School when a light box was stolen and someone has taken a water carrier and 2 propane gas cylinders from the front

of a caravan on the Ocknell site. Cars were also broken into on Furzley Common and in the Rufus Stone car park.

Also, in June number plates were removed from a car parked in Cadnam, a ride on lawn mower was taken from a garage port in Stoney Cross and a quad bike was stolen from Minstead.

Disappointingly we've had some damage caused to the play equipment in the Recreation Ground in Ashurst which means that some of the park has been closed until it can be repaired. If you know anything about this, then please email [Richard.williams@hampshire.police.uk](mailto:Richard.williams@hampshire.police.uk)

A couple of other things to mention this month include several sightings of a naked man seen walking in the New Forest. He's been spotted in the area behind Boltons Bench, in the woods that run alongside the A35 between Ashurst and Lyndhurst and on the Lyndhurst golf course. He doesn't appear to be a threat to the public, but our advice is don't approach him and contact us immediately.

We've also seen an increase in the number of cars and motorbikes using the Forest in an anti-social and dangerous way and driving off road and doing stunts in car parks. We would encourage you to report any of this type of behaviour to us and if you have photographs and registration numbers then send them too -BUT DON'T PUT YOURSELF AT RISK BY COLLECTING THIS INFORMATION. With evidence we can issue Section 59 warnings to the drivers which means that if they are found continuing this behaviour their vehicles will be seized.

Finally, OP MOUNTIE, our multi agency approach to reducing the speed of traffic across the New Forest and cutting animal deaths and accidents, continued in June. We held our first OP MOUNTIE on tour session at the beginning of the month and held sessions at two sites on Roger Penny Way but also at Pig Bush, Crockford Clump and Hawk Hill car parks. OP MOUNTIE uses a mix of enforcement from Police and education from our partners at Forestry England, the National Park Authority, the New Forest Roads Awareness Team, the Verderers, Commoners, Agisters and New Forest District Council. It does seem that the excellent work they are doing is having an effect as unto the beginning of June there had been no animal deaths for 15 weeks. During this month's session 3 speeding tickets were issued, 25 drivers were given educational advice and tickets were issued to drivers for having no MOT, no insurance, and an illegal number plate. We also seized a car being driven by somewhere without a licence.

Remember if you need Police assistance in an emergency always call 999, to report a crime or incident of anti-social behaviour that has already happened call 101 or use the online reporting section of the Hampshire Police website. If you would like to contact the New Forest Heart Cops team directly with any questions or queries, please use the details below

## CCTV RELEASED FOLLOWING THEFT FROM HYTHE FERRY

Do you recognise this man?

Officers would like to speak to him in connection with a theft that took place in Hythe on Friday, 3 June.

Sometime between 3.20am and 6.20am, GPS Marine radio, handheld radios and other items were stolen from The Hythe Ferry and Hythe Pier in Prospect Place.

Officers have been carrying out initial enquiries and are keen to identify the man in this CCTV image.

Do you know or recognise him?

Perhaps you were in the area at around the time of the incident? Did you see anyone acting suspiciously?

Anyone with any information should call us on 101 or report online at <https://www.hampshire.police.uk/> quoting reference 44220219908.

Alternatively, people can contact Crimestoppers 100% anonymously on 0800 555 111 or online at <https://crimestoppers-uk.org/>

### New national service for Deaf BSL users to contact emergency services

From Friday 17 June, Deaf British Sign Language (BSL) users will be able to contact the police and other UK emergency services in their first language using the 999 BSL service.

999 BSL is a national service that connects BSL users to British Sign Language Interpreters remotely through an app or a web-based platform ([www.999bsl.co.uk](http://www.999bsl.co.uk)), who then will relay the conversation with the call handler and emergency authorities.

Detective Chief Inspector Gabe Snuggs, force lead for Deaf Access said: "We welcome the introduction of the 999 BSL service. This service will help enhance our existing methods for deaf people to contact the police.

"The service has been set up so Deaf BSL users are not excluded when they need to make an emergency call, therefore saving lives.

"Inclusion is vitally important for Hampshire Constabulary and our officers and staff are working hard to provide the best service that we can to our diverse communities".

The YouTube video below gives a short introduction on how the service works.

<https://youtu.be/5C5KsEeYNXw>

We have also attached a document which contains some introductory information about the service.

## PUBLIC CONSULTATION ON PROPOSED CHANGES TO SUPPORTED PASSENGER TRANSPORT AND CONCESSIONARY TRAVEL SCHEME

Hampshire County Council (HCC) is consulting on proposed changes to the above services. The consultation runs from Monday 30 May until Sunday 24 July 2022 and seeks views on the proposed approach, the impacts that may arise as a result and invites any alternative suggestions.

The proposals seek to continue to deliver effective services, within a reduced budget, and help make around £800,000 p.a savings by April 2023, by:

- making operational changes to supported passenger transport services e.g. supported bus services, Dial-a-Ride, Call & Go and Taxishares
- removing some enhancements to the Concessionary Travel Scheme; and
- increasing the contributions users pay for some services There are no specific routes/services selected for reductions or changes.

The County Council will review data relating to passenger journeys, the cost of providing particular journeys or services, and passenger and stakeholder feedback gathered through the consultation, in order to identify where resources could be used more effectively and where services could be adjusted with minimal impact on service users.

Feedback will inform recommendations to the Executive Lead Member for Transport and Environment Strategy for decisions to be made in November 2022.

Stakeholders and residents can respond Online at [www.hants.gov.uk/passenger-transport-consultation](http://www.hants.gov.uk/passenger-transport-consultation)

By paper copy, returned via their local Hampshire library OR via the return envelope provided OR Send to 'Freepost HAMPSHIRE' (marked 'SPEC J050D PTG' on the back of the envelope)

Please contact us with any queries, including requests for hard copies or other formats via email at: [passenger.transport.consultation@hants.gov.uk](mailto:passenger.transport.consultation@hants.gov.uk) or call 0300 555 1388

### GROUND NESTING BIRDS

Some positive news regarding this year’s ground nesting bird season. One of our Keepers who has been closely monitoring the bird’s progress has reported a significant number of hatched Lapwing and Curlew chicks in one of the Forest’s key nesting locations in Burley.

These birds are extremely rare and surviving the next few weeks is critical. The campaign to support the birds allows us to be flexible and respond to the pattern of breeding as it develops during the season. Given the success of the birds in this area we are looking at ways to help as many as possible chicks successfully fledge. One measure we will be taking is to temporarily close Burbush Car Park in Burley. This brings the total number of car park closures due to ground nesting birds to ten, out of a total of 130 car parks across the Forest.

The car park at Burbush closed Wednesday 8 June. We will closely monitor the progress of the chicks over the coming weeks and advise on reopening accordingly. During this time, alternative parking is available at nearby Burley and Burley Cricket car parks as alternatives.

During the current breeding season, we can all support ground nesting birds. We ask everyone spending time here to stick to the main tracks and keep dogs with them, using a lead if necessary, during this critical time. The efforts of the community and those spending time in the Forest this breeding season can help make an important contribution to the future survival of these birds in the UK. More information can be found at <https://www.forestryengland.uk/ground-nesting-birds>

Sent on behalf of Charlotte Belcher, Community Ranger – New Forest, Forestry England.
